AMENDMENT AFTER ALLOWANCE UNDER 37 CFR § 1.312(a)

Please amend claims 13 and 14 of the above-identified application to place them in multiply dependent form as follows, without prejudice:

Claims 13 and 14, line 1 of each, change "claim 1" to --any of claims 1-12--.

REMARKS

Amendment is requested as indicated above and is needed to assure proper protection of the invention in that it provides applicants with a significant number of claims of varying scope while requiring no substantial amount of additional work on the part of the Office. No additional search or examination is needed as all of the claim elements in question are already of record and all of the amended claims are narrower than claims already allowed.
